§ 93.350

 $\frac{\text{HTF investment}}{\text{HTF investment} + \text{homeowner investment}} \quad \text{x} \quad \text{Net proceeds} = \text{HTF amount to be recaptured}$ $\text{homebuyer investment} \quad \text{x} \quad \text{Net proceeds} = \text{amount to homeowner}$

(D) Owner investment returned first. The grantee may permit the homebuyer to recover the homebuyer's entire investment (downpayment and capital improvements made by the owner since purchase) before recapturing the HTF assistance.

HTF investment + homeowner investment

(E) Amount subject to recapture. The HTF assistance that is subject to recapture is based on the amount of HTF assistance that enabled the homebuver to buy the dwelling unit. This includes any HTF assistance that reduced the purchase price from fair market value to an affordable price, but excludes the amount between the cost of producing the unit and the market value of the property (i.e., the development subsidy). The recaptured funds must be used to carry out HTF-eligible activities in accordance with the requirements of this part. If the HTF assistance is only used for the development subsidy and therefore not subject to recapture, the resale option must be used.

Subpart H—Other Federal Requirements

§ 93.350 Other federal requirements and nondiscrimination; affirmative marketing.

- (a) General. The Federal requirements set forth in 24 CFR part 5, subpart A, are applicable to participants in the HTF program. The requirements of this subpart include: nondiscrimination and equal opportunity; disclosure requirements; debarred, suspended, or ineligible contractors; and drug-free workplace.
- (b) Affirmative marketing. (1) Each grantee must adopt and follow affirmative marketing procedures and requirements for rental projects containing five or more HTF-assisted housing units and for homeownership assistance programs. Affirmative marketing steps consist of actions to provide in-

- formation and otherwise attract eligible persons in the housing market area to the available housing without regard to race, color, national origin, sex, religion, familial status, or disability. If a grantee's written agreement with the project owner permits the rental housing project to limit tenant eligibility or to have a tenant preference in accordance with §93.303(d)(3), the grantee must have affirmative marketing procedures and requirements that apply in the context of the limited/preferred tenant eligibility for the project.
- (2) The affirmative marketing requirements and procedures adopted must include:
- (i) Methods for informing the public, owners, and potential tenants about Federal fair housing laws and the grantee's affirmative marketing policy (e.g., the use of the Equal Housing Opportunity logotype or slogan in press releases and solicitations for owners, and written communication to fair housing and other groups);
- (ii) Requirements and practices the grantee and owner must adhere to in order to carry out the grantee's affirmative marketing procedures and requirements (e.g., use of commercial media, use of community contacts, use of the Equal Housing Opportunity logotype or slogan, and display of fair housing poster);
- (iii) Procedures to be used by the grantee and owners to inform and solicit applications from persons in the housing market area who are not likely to apply for the rental housing or homeownership assistance program without special outreach (e.g., through the use of community organizations, places of worship, employment centers, fair housing groups, or housing counseling agencies):
- (iv) Records that will be kept describing actions taken by the grantee and owners to affirmatively market rental

housing units and homeownership assistance program and records to assess the results of these actions; and

- (v) A description of how the grantee will annually assess the success of affirmative marketing actions and what corrective actions will be taken where affirmative marketing requirements are not met.
- (3) A grantee that subgrants HTF funds to subgrantees must require each subgrantee to either follow the grantee's procedures and requirements or adopt its own affirmative marketing procedures and requirements that meet this section.

§93.351 Lead-based paint.

Housing assisted with HTF funds is subject to the regulations at 24 CFR part 35, subparts A, B, J, K, and R.

§ 93.352 Displacement, relocation, and acquisition.

- (a) Minimizing displacement. Consistent with the other goals and objectives of this part, the grantee must ensure that it has taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted with HTF funds. To the extent feasible, displaced residential tenants must be provided a reasonable opportunity to lease and occupy a suitable, decent, safe, sanitary, and affordable dwelling unit in the building/complex upon completion of the project.
- (b) Temporary relocation. The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:
- (1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly rent/utility costs.
- (2) Appropriate advisory services, including reasonable advance written notice of:
- (i) The date and approximate duration of the temporary relocation;
- (ii) The location of the suitable, decent, safe, and sanitary dwelling to be

made available for the temporary period;

- (iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex upon completion of the project; and
- (iv) The provisions of paragraph (b)(1) of this section.
- (c) Relocation assistance for displaced persons—(1) General. A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4201-4655) and 49 CFR part 24. A "displaced person" must be advised of his or her rights under the Fair Housing Act and, if the comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, the minority person also must be given, if possible, referrals to comparable and suitable, decent, safe, and sanitary replacement dwellings not located in such areas.
- (2) Displaced person. (i) For purposes of this paragraph (c), the term "displaced person" means a person (family individual, business, nonprofit organization, or farm, including any corporation, partnership or association) that moves from real property or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted with HTF funds. This includes any permanent, involuntary move for an assisted project, including any permanent move from the real property that is made:
- (A) After notice by the owner to move permanently from the property, if the move occurs on or after:
- (1) The date of the submission of an application to the grantee or HUD, if the applicant has site control and the application is later approved; or
- (2) The date the grantee approves the applicable site, if the applicant does not have site control at the time of the application; or
- (B) Before the date described in paragraph (c)(2)(i)(A) of this section, if the
